

Goal Ladder

Write down one of the most important life goals you want to accomplish in the box below. Then fill-in each step of the ladder with things **you** need to do in order to accomplish your goal.

Life Goal

The diagram consists of a rectangular box at the top containing the text "Life Goal". Below this box is a vertical ladder structure. The ladder has two vertical side rails and seven horizontal rungs. To the left of the ladder, there are seven horizontal lines, each aligned with one of the rungs, providing space for writing the steps needed to achieve the goal.
